Mr. John W. Parkhurst, Town Clerk
Bofford, Massachusetts

Dear Sir:-

On July 23rd, 1927, the Town of Bofford voted to raise and appropriate the sum of $97.00 per year for five years to extend electric service to Mary A. Herrick, Willard F. Stanton and others.

We are now selling to the Telephone Company an interest in the poles on this extension, and the required yearly guarantee from the Town and from the customers will be reduced.

According to the new figures, it will be satisfactory if the Town will pay us $70.00 for the last year of this contract, instead of $97.00

Very truly yours,
F. A. Sargent Agt.

1934.

The Election Officers for the Annual Town Meeting held in Botford, Mar. 5, 1934. were called together March 9, 1934. to correct an error in the count for Constables. Upon examining the Tally Sheets it was found that David Mighill had 6 votes in one block which had not been put on the Total tally Sheet. These 6 votes make just 406 ballots accounted for in both Parishes.

Two of the Tellers said that both David Mighill and Robert Stewart had votes for Constables in both Parishes. The Clerk entered them all under one heading, so it was impossible to tell just the number for each Parish. But, both Mighill and Stewart, were not eligable to run for Constable in the West Parish, being residents of the East Parish. so the vote for each would be as follows:

David Mighill, E.P. had in Both Parishes	23 votes	East Parish
Leo F. Richardson, E.P.	172	
Robert Stewart, Jr. E.P. had in Both Parishes	12	
Steve Brodie	1	
Frank Spofford, W.P.	1	West Parish
Clara K. Pearl, W.P.	2
